RE: Docket # 03-00330 – Petition to Revise Tariff to Incorporate a
Revised Sewer Subscription Contract

Dear Mr. Novak:

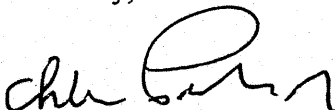

We would like to amend our sewer subscription contract which was filed in the above-referenced petition on May 9, 2003, to include the language in item 4 as follows:

However, the use of this valve does not in any way relieve me of my obligation to pay for water service to the service provider.

I am attaching a copy of the corrected petition for your review.

Should you have any questions, please do not hesitate to give me a call.

Sincerely,

Charles Pickney, Jr.
President

I hereby make application to On-Site Systems, Inc. ("On-Site") for sewer service at the address of property stated above. In consideration of the undertaking on the part of On-Site to furnish sewer service, I understand, covenant and agree as follows:

I understand that components of a sewer system have been installed on the property referred to above, which is owned or occupied by me, and which is to be connected with a wastewater disposal system owned and/or maintained by On-Site. I warrant that any connection to and/or subsequent use to this system by the components on my property shall be in accordance with the Rules and Regulations and Plans of On-Site. Regarding my usage of the system components on my property, which are owned by me, I covenant to follow the guidelines set forth in the USER MANUAL (Do's and Don'ts for Effluent Collection System). Should I violate these Rules and/or abuse or damage my components, I understand that I must bear the expense to repair or replace the same in accordance with the Plans of On-Site.
2. I acknowledge On-Site, its successors and assigns have a perpetual easement in, over, under and upon the above specified land as shown on the property plat, with the right to operate and repair all components of the sewer system on my property, including but not limited to the septic tank, the STEG (Septic Tank Effluent Gravity) or STEP (Septic Tank Effluent Pumping) system. 3. For all other plumbing and structures on the property, including the out fall line to the septic tank, I agree that I am responsible for all operation and repair thereof.
4. I hereby authorize On-Site to purchase and install a cutoff valve on my side of my water meter and grant On-Site exclusive right to use such valve in accordance with its Rules and Regulations. However, the use of this valve does not in any way relieve me of my obligation to pay for water service to the water provider.
5. I understand and agree to pay a security deposit of \$60.00, to promptly pay for service at the then current schedule of rates and fees and agree to abide by and be subject to On-Site's billing and cutoff procedures. Should I not pay in accordance with On-Site's Rules, I agree to pay all costs of collection, including attorney fees.
6. I accept the current Rules and Regulations and the Rates and Fees Schedule and agree to abide by any amendments to such Schedules.
